1. All persons seeking to register to bid acknowledges acceptance of these terms of sale, and guarantees prompt payment of all purchases by ACH, wire transfer, credit card or company check with bank letter of guarantee. No items will be removed prior to full payment, with all funds having cleared our accounts.
2. The "Bidder" becomes a "Buyer" upon the Auctioneers acceptance of their bid on one or more items in the Auction sale.
3. FULL PAYMENT must be made immediately for your purchase at the Auction. This payment should be made in the form of cash, credit card (up to \$5,000), company check with bank letter, cashiers check, wire transfer or ACH (see wire instructions on invoice).
4. INTERNATIONAL BUYERS on site must provide a bank check in US funds at registration as a deposit in an amount of at least 25% of your expected invoice total, with an immediate wire transfer to follow (see webcast payment instructions below). Your check will be returned upon receipt of the wire transfer. International buyers participating via webcast MUST initiate a full payment wire transfer by 10:00 AM (local time to the buyer) immediately following the auction sale and provide the Auctioneer with proof of wire initiation. Failure to follow these instructions will constitute default and the item(s) will be immediately resold to the back bidder(s).
5. Items left unpaid for more than 48 hours will be resold at the risk and expense of the Buyer. In the event that a Buyer fails to pay the entire purchase price (in addition to the Buyer's premium and any applicable tax) within 48 hours or otherwise fails to comply with these Terms and Conditions, Auctioneer and the Trustee may retain any deposit paid as liquidated damages without notice. Auctioneer and the Trustee reserve the right to resell such items without notice, and the defaulting Buyer shall be liable to Auctioneer and Trustee for any resulting deficiency, including costs incurred in storing and reselling such items.
6. Auctioneer shall charge and collect from each Buyer a 15% Buyer's premium for each sale at the Auction, in addition to the purchase price as bid. Buyers that utilize our Webcast service shall be charged a buyer's premium of 18% for each sale at the Auction, in addition to the purchaser price. 7. All items in the Auction shall be sold to the highest bidder; provided, however, that some items may be auctioned with minimum reserve prices, and/or subject to Trustee's right of confirmation. Auctioneer reserves the right to reject any bid that is only a minimal increase over the preceding bid, that is not commensurate with the value of the item being offered, or any bid that Auctioneer believes was made illegally or in bad faith. Further, Auctioneer may bid at the Auction either for its own account or on behalf of the Trustee or a third party. All sales are final. No returns or refunds will be permitted, unless authorized by the Trustee in writing.
8. This sale is exempt from sales and use tax in Virginia pursuant to the Administrative Code of Virginia 23VAC10-210-1080 and 23VAC10-210-140.
