Bidder and Auctioneer agree that the Terms and Conditions listed below shall govern this Auction sale:

1. All persons seeking to register to bid must present a valid drivers license or acceptable photo identification. In addition, Auctioneer reserves the right to verify the validity of all cashier's checks or certified funds drawn from lending institutions.
2. The "Bidder" becomes a "Buyer" upon the Auctioneers acceptance of their bid on one or more items in the Auction sale.
3. FULL PAYMENT must be made immediately for your purchase at the Auction. This payment should be made in the form of:
 - a. Credit Card, Cash, Company Check with bank letter of guarantee, Cashiers check, Certified check, ACH or Wire transfer (see wire instructions on invoice). Credit card payments up to \$5,000, Visa, M/C only.
4. Items left unpaid for more than 48 hours will be resold at the risk and expense of the Buyer. In the event that a Buyer fails to pay the entire purchase price (in addition to the Buyer's premium and any applicable tax) within 48 hours or otherwise fails to comply with these Terms and Conditions, Auctioneer and the Seller will retain any deposit paid as liquidated damages without notice. Auctioneer and the Seller reserve the right to resell such items without notice, and the defaulting Buyer shall be liable to Auctioneer and Seller for any resulting deficiency, including costs incurred in storing and reselling such items.
5. Auctioneer shall charge and collect from each Buyer a Buyer's premium of 15% for each sale at the Auction, in addition to the purchase price as bid. Check sale specific terms in catalog.
6. All items in the Auction shall be sold to the highest bidder; provided, however, that some items may be auctioned with minimum reserve prices, and/or subject to Seller's right of confirmation. Auctioneer reserves the right to reject any bid that is only a minimal increase over the preceding bid, that is not commensurate with the value of the item being offered or that Auctioneer believes was made illegally or in bad faith. Further, Auctioneer may bid at the Auction either for its own account or on behalf of the Seller or a third party. All sales are final. No returns or refunds will be permitted, unless authorized by the Seller in writing.
7. Collection of applicable taxes will be in accordance with the laws of the jurisdiction in which the purchased item is located, and items in this sale may be subject to U.S. export control regulations.
8. For any purchase paid in cash with a value of \$10,000 or greater, Buyer is required to complete US Treasury Dept. form #8300 at the time of purchase.
9. Removal and shipment of purchased items will be the sole responsibility of the Buyer. NO MATERIAL HANDLING EQUIPMENT OR TOOLS WILL BE MADE AVAILABLE BY THE SELLER OR AUCTIONEER FOR BUYERS' USE DURING ITEM REMOVAL. All Buyers and/or their agent riggers MUST comply with all insurance requirements as noted in the Auction catalog.
10. The Buyer becomes fully responsible for, and assumes all risk of loss and damage to items purchased until items are removed from the Auction site whether or not the removal deadline has passed. If the Buyer does not remove an item within the announced removal period, Auctioneer and the Seller may, in their sole discretion, deem the item to have been abandoned by the Buyer and the Buyer will have no further rights with respect to the item.
11. In the event of any dispute concerning the winning bid price for an item, the record kept by Auctioneer shall control. In any dispute between two or more bidders, the Auctioneers decision shall be absolute and final.
12. ALL ITEMS ARE SOLD AS IS, WHERE IS AND WITH ALL FAULTS. NEITHER SELLER NOR AUCTIONEER MAKES ANY WARRANTY, EXPRESS OR IMPLIED, AS TO THE NATURE, QUALITY, VALUE OR CONDITION OF ANY ITEM. AUCTIONEER AND SELLER EXPRESSLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.
13. The aggregate respective liability of Seller or Auctioneer in respect of any other loss or damage suffered by a Buyer and arising out of or in connection with these Terms and Conditions or arising out of or in any way connected with a Buyer's participation in the Auction, whether in contract, tort (including negligence) or for breach of statutory duty or in any other way, shall not exceed (i) in the case of the Seller, the amount of the purchase price paid by the Buyer; and (ii) in the case of the Auctioneer, the Buyer's premium paid by the Buyer, in each case in respect of the goods which are the subject of the claim.
14. Buyers acknowledge that an Auction site or the Seller's site is a potentially dangerous place. Flammable, noxious, corrosive and pressurized substances may be present. Heavy equipment may be operated, and electrical circuits may be live. Every person enters such site at his or her own risk with notice of the condition of the premises and the activities that will be or have been conducted on the premises. Buyers shall so advise their agents and employees. No person shall have any claim against Auctioneer, the Seller or their respective agents or employees for any injuries sustained or for damages to or loss of person or property that may occur at such site.
15. These Terms and Conditions are incorporated and merged with any sale specific Terms and Conditions that may be distributed with the sale catalog and/or announced by the Auctioneer at the time and place of sale.

NO WARRANTIES:

Every item and lot in this auction is sold: (a) “AS-IS, WHERE-IS AND WITHOUT RECOURSE,” and (b) with no warranties, guarantees or representation of any kind or variety, whether expressed, implied or otherwise.

PROCEDURES FOR EQUIPMENT REMOVAL

1. All Riggers/Buyer's must present authorized Blackbird personnel with an original insurance certificate in the amount of at least \$2,000,000.00 prior to commencing any removal activities (see attached sheet). The auctioneer has the right to reduce or eliminate these requirements at his sole discretion.
2. Should any pits, floor bolts or hazard of any type exist after removal of equipment, it is the responsibility and cost of the buyer to guard these areas using generally accepted safety practices, such as safety tapes, pipes or bars welded in place, or suitable safety barrier, acceptable to Blackbird. All floor bolts and/or anchoring fasteners are to be cut flush to the floor and the area left broom clean. All electric wiring and utility piping must be safely disconnected and capped at the incoming main switch or valve, which will remain in the building, unless otherwise specified.
3. Machines are to be staged for loading in the area assigned by Blackbird personnel.
4. Any hydraulic fluid or oil leaks are the Rigger/Buyer's responsibility to clean up. Miscellaneous conduit, wires and threaded studs in cement must also be removed.
5. It is the responsibility of the Rigger/Buyer to disconnect all electrical power to the machines and needs to be done by a licensed tradesman. Please check to make sure the power is off to the machines before disconnecting. In cases where the seller is responsible for disconnect, you will be notified in advance.
6. No trucks are to be left running in an enclosed building. Blackbird is not liable for equipment and tools left on the premises.
7. Bridge cranes and hoists may be used only by Rigger/Buyers with crane insurance on their certificate and only with the written permission of crane owner.
8. Liable for Damages - Any surface or structural damage to walls, ceilings, floors, overhead doors, gates, etc. will be Rigger/Buyer's responsibility. Blackbird personnel are instructed to report damage to the Home Office and plant personnel immediately. Rigger/Buyers will not be permitted to leave with equipment until repairs are made.
9. Theft will not be tolerated and we reserve the right to inspect all trucks, toolboxes and rigger cases. Instances of theft will result in the immediate termination of removal privileges and prosecution by law.
10. Rigger/Buyers must present a copy of the customer's invoice to authorized Blackbird personnel prior to removal of any equipment, along with an executed authorization from the customer allowing the Rigger to remove selected equipment.
11. Rigger/Buyer must take full responsibility for and exercise all reasonable care to ensure that there is no release to the environment of any hazardous wastes or substances as are defined in applicable Federal, State and Local Statutes, Regulations, Rules or Ordinances.

Carts will be sold CHOICE with the high bidder begin able to take ANY OR ALL LOTS between 2002 and 2304, and will be sold per cart TIMES THE MONEY and you must take as many carts as are in the lot. This will enable WIP buyers to purchase the carts under their lots if they so choose, but the high choice bid establishes the price for any selection in the first round. High bidder gets first choice, back up bidder second choice then open. If there is a second round of bidding it will be for the balance of the remaining carts, buyer must take them all TIMES THE MONEY. There are approximately 770 carts.
