January 2012

Dear Prospective Buyer:

Thank you for inquiring about another incredible opportunity from Blackbird Asset Services, LLC. The sale of Qualtech Pins and Fasteners in Buffalo, New York will be a sale of the entirety against the piecemeal. Said another way, the high bid for lots 1-161 will be added together and compared to lot 162. The way that brings the highest return will be the way we confirm the bids and sell the assets. If you are a manufacturer, please see our website and download the documents that outline the backlog of business and parts drawings. By selling this way a purchaser of the entirety has the opportunity to keep the equipment in place and get right to work.

We have prepared the enclosed information and equipment catalog in an effort to assist you in your due diligence prior to the online auction that begins January 1 and ends January 12, 2012 beginning at 3:00 PM EST. Please note the closing is a soft closing and any bid placed in the last minute of the auction will increase the closing time for that lot by 1 minute.

As with any auction, prior to bidding, it is important that you read all of the available information, you do your own research, and that you thoroughly understand the terms and conditions of the auction. Each auction can have its own set of terms depending upon the type of auction being conducted.

The actual bidding platform with a catalog and larger (multiple) photos of the equipment can be found at <http://blackbirdauctions.auctionflex.com/searchauctions.ap?co=64259&archive=n&lang=en>. You can follow this link directly to log in, register and bid.

If at any time you have a question about this auction and/or the bidding process or to schedule an inspection please call our office at 716-632-1000 or contact us by email at info@blackbirdauctions.com. Our objective is to help answer all of your questions prior to the auction closing on January 12, 2012.

Good luck at the auction!

Sincerely,

Blackbird Asset Services, LLC

President

Auction Bidder Agreement

Bidder and Auctioneer agree that the Terms and Conditions listed below shall govern this Auction sale:

1. All persons seeking to register to bid acknowledges acceptance of these terms of sale, and guarantees prompt payment of all online purchases by ACH, wire transfer, credit card or check. No items will be removed prior to full payment, with all funds having cleared our accounts.
2. The "Bidder" becomes a "Buyer" upon the Auctioneers acceptance of their bid on one or more items in the Auction sale.
3. FULL PAYMENT must be made immediately for your purchase at the Auction. This payment should be made in the form of credit card, cash, company check, cashiers check, wire transfer or ACH (see wire instructions on invoice).
4. Items left unpaid for more than 48 hours will be resold at the risk and expense of the Buyer. In the event that a Buyer fails to pay the entire purchase price (in addition to the Buyer's premium and any applicable tax) within 48 hours or otherwise fails to comply with these Terms and Conditions, Auctioneer and the Seller will retain any deposit paid as liquidated damages without notice. Auctioneer and the Seller reserve the right to resell such items without notice, and the defaulting Buyer shall be liable to Auctioneer and Seller for any resulting deficiency, including costs incurred in storing and reselling such items.
5. Auctioneer shall charge and collect from each Buyer a 12 ½% Buyer's premium for each sale at the Auction, in addition to the purchase price as bid. Purchasers, who pay in the form of cash, cashier's check, company check (with a letter of guarantee) or wire transfer within 48 hours of being invoiced, may be entitled to receive a discount from the Buyer's premium equal to 2 ½% % of the purchase price.
6. All items in the Auction shall be sold to the highest bidder; provided, however, that some items may be auctioned with minimum reserve prices, and/or subject to Seller's right of confirmation. Auctioneer reserves the right to reject any bid that is only a minimal increase over the preceding bid, that is not commensurate with the value of the item being offered or that Auctioneer believes was made illegally or in bad faith. Further, Auctioneer may bid at the Auction either for its own account or on behalf of the Seller or a third party. All sales are final. No returns or refunds will be permitted, unless authorized by the Seller in writing.
7. Collection of applicable taxes will be in accordance with the laws of the state of New York. Auctioneer reserves the right to charge and collect tax on all purchases, shifting the burden of determining any 'tax exempt' status to the purchaser (if applicable). In such case tax refunds will be issued by the state. Some items in this sale may be subject to U.S. export control regulations.
8. For any purchase paid in cash with a value of \$10,000 or greater, Buyer is required to complete US Treasury Dept. form #8300 at the time of purchase.
9. Removal and shipment of purchased items will be the sole responsibility of the Buyer and must be completed before January 30, 2012. NO MATERIAL HANDLING EQUIPMENT OR TOOLS WILL BE MADE AVAILABLE BY THE SELLER OR AUCTIONEER FOR BUYERS' USE DURING ITEM REMOVAL. All Buyers and/or their agent riggers MUST comply with all insurance requirements as noted in the Auction catalog.
10. The Buyer becomes fully responsible for, and assumes all risk of loss and damage to items purchased until items are removed from the Auction site whether or not the removal deadline has passed. If the Buyer does not remove an item within the announced removal period, Auctioneer and the Seller may, in their sole discretion, deem the item to have been abandoned by the Buyer and the Buyer will have no further rights with respect to the item.
11. In the event of any dispute concerning the winning bid price for an item, the record kept by Auctioneer shall control. In any dispute between two or more bidders, the Auctioneers decision shall be absolute and final.
12. ALL ITEMS ARE SOLD AS IS, WHERE IS AND WITH ALL FAULTS. NEITHER SELLER NOR AUCTIONEER MAKES ANY WARRANTY, EXPRESS OR IMPLIED, AS TO THE NATURE, QUALITY, VALUE OR CONDITION OF ANY ITEM. AUCTIONEER AND SELLER EXPRESSLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.
13. The aggregate respective liability of Seller or Auctioneer in respect of any other loss or damage suffered by a Buyer and arising out of or in connection with these Terms and Conditions or arising out of or in any way connected with a Buyer's participation in the Auction, whether in contract, tort (including negligence) or for breach of statutory duty or in any other way, shall not exceed (i) in the case of the Seller, the amount of the purchase price paid by the Buyer; and (ii) in the case of the Auctioneer, the Buyer's premium paid by the Buyer, in each case in respect of the goods which are the subject of the claim.
14. Buyers acknowledge that an Auction site or the Seller's site is a potentially dangerous place. Flammable, noxious, corrosive and pressurized substances may be present. Heavy equipment may be operated, and electrical circuits may be live. Every person enters such site at his or her own risk with notice of the condition of the premises and the activities that will be or have been conducted on the premises. Buyers shall so advise their agents and employees. No person shall have any claim against Auctioneer, the Seller or their respective agents or employees for any injuries sustained or for damages to or loss of person or property that may occur at such site.
15. These Terms and Conditions are incorporated and merged with any sale specific Terms and Conditions that may be distributed via our online bidding site.
