## Auction Bidder Agreement

**Bidder and Auctioneer agree that the Terms and Conditions listed below shall govern this Auction sale:**

1. All persons seeking to register to bid acknowledges acceptance of these terms of sale, and guarantees prompt payment of all purchases by ACH, wire transfer, credit card or company check with bank letter of guarantee. No items will be removed prior to full payment, with all funds having cleared our accounts.
2. The "Bidder" becomes a "Buyer" upon the Auctioneers acceptance of their bid on one or more items in the Auction sale.
3. FULL PAYMENT must be made immediately for your purchase at the Auction. This payment should be made in the form of cash, credit card (up to \$5,000), company check with bank letter, cashiers check, wire transfer (instructions upon request). Company checks will be accepted only if accompanied by a letter from the issuing bank that reads: "(Bank Name) unconditionally guarantees payment to Blackbird Asset Services, LLC from (Purchasers Name) on account number \_\_\_\_\_ up to the amount of \$\_\_\_\_\_". This guarantee will be valid for purchases made at the EB Trottnow Machine auction on May 31."
4. Items left unpaid for more than 48 hours will be resold at the risk and expense of the Buyer. In the event that a Buyer fails to pay the entire purchase price (in addition to the Buyer's premium and any applicable tax) within 48 hours or otherwise fails to comply with these Terms and Conditions, Auctioneer and the Seller may retain any deposit paid as liquidated damages without notice. Auctioneer and the Seller reserve the right to resell such items without notice, and the defaulting Buyer shall be liable to Auctioneer and Seller for any resulting deficiency, including costs incurred in storing and reselling such items.
5. Auctioneer shall charge and collect from each Buyer a 15% Buyer's premium for each sale at the Auction, in addition to the purchase price as bid. Buyers that utilize our Webcast service shall be charged a buyer's premium of 18% for each sale at the Auction, in addition to the purchaser price. Buyers that pay by Master Card or Visa credit card will be charged a 3% convenience/credit card fee in addition to any buyers premiums so noted.
6. All items in the Auction shall be sold to the highest bidder; provided, however, that some items may be auctioned with minimum reserve prices, and/or subject to Seller's right of confirmation. Auctioneer reserves the right to reject any bid that is only a minimal increase over the preceding bid, that is not commensurate with the value of the item being offered, or any bid that Auctioneer believes was made illegally or in bad faith. Further, Auctioneer may bid at the Auction either for its own account or on behalf of the Seller or a third party. All sales are final. No returns or refunds will be permitted, unless authorized by the Seller in writing.
7. Collection of applicable taxes will be in accordance with the laws of New York. Auctioneer reserves the right to charge and collect tax on all purchases, shifting the burden of determining any 'tax exempt' status to the purchaser (if applicable). In such case tax refunds will be issued by the respective state. Sales tax for Erie County, NY is 8.75%.
8. For any purchase paid in cash with a value of \$10,000 or greater, Buyer is required to complete US Treasury Dept. form #8300 at the time of purchase.
9. Removal and shipment of purchased items will be the sole responsibility of the Buyer. Removal for smalls and hand carry items will be Thursday June 1 – Saturday June 10. 10. The Buyer becomes fully responsible for, and assumes all risk of loss and damage to items immediately upon acceptance of their bid. It shall be the responsibility of the Buyer to insure their purchases immediately. If the Buyer does not remove an item within the announced removal period, Auctioneer and the Seller may, in their sole discretion, deem the item to have been abandoned by the Buyer and the Buyer will have no further rights with respect to the item.
11. In the event of any dispute concerning the winning bid price for an item, the record kept by Auctioneer shall control. In any dispute between two or more bidders, the Auctioneers decision shall be absolute and final.
12. **ALL ITEMS ARE SOLD AS IS, WHERE IS AND WITH ALL FAULTS. NEITHER SELLER NOR AUCTIONEER MAKES ANY WARRANTY, EXPRESS OR IMPLIED, AS TO THE NATURE, QUALITY, VALUE OR CONDITION OF ANY ITEM. AUCTIONEER AND SELLER EXPRESSLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.**
13. No sale shall be invalidated by reason of any defect or inaccuracy in any description or listing, and no liability shall be borne by the Auctioneer with respect to such errors. All information has been obtained from sources generally believed to be reliable, but the accuracy cannot be guaranteed or warranted by the Auctioneer. Bidder acknowledges it is their responsibility to inspect all items and to make their own inquires whether purchasing online via Webcast or live on site.
14. 15. Computers, drives and other electronic equipment may contain copywritten software that is governed by a license agreement issued to a third party. In such event the Buyer acknowledges that said software and license agreement(s) are not included in their purchase(s). Heavy equipment may be operated, and electrical circuits may be live. Every person enters such site at his or her own risk with notice of the condition of the premises and the activities that will be or have been conducted on the premises. Buyers shall so advise their agents and employees. No person shall have any claim against Auctioneer, the Seller or their respective agents or employees for any injuries sustained or for damages to or loss of person or property that may occur at such site.

## PROCEDURES FOR EQUIPMENT REMOVAL

1. All Riggers/Buyer's must present authorized Blackbird personnel with an original insurance certificate in the amount of at least \$2,000,000.00 prior to commencing any removal activities (see attached sheet). The auctioneer has the right to reduce or eliminate these requirements at his sole discretion.
2. Should any pits, floor bolts or hazard of any type exist after removal of equipment, it is the responsibility and cost of the buyer to guard these areas using generally accepted safety practices, such as safety tapes, pipes or bars welded in place, or suitable safety barrier, acceptable to Blackbird. All floor bolts and/or anchoring fasteners are to be cut flush to the floor and the area left broom clean. All electric wiring and utility piping must be safely disconnected and capped at the incoming main switch or valve, which will remain in the building, unless otherwise specified.
3. Machines are to be staged for loading in the area assigned by Blackbird personnel.
4. Any hydraulic fluid or oil leaks are the Rigger/Buyer's responsibility to clean up. Miscellaneous conduit, wires and threaded studs in cement must also be removed.
5. It is the responsibility of the Rigger/Buyer to disconnect all electrical power to the machines and needs to be done by a licensed tradesman. Please check to make sure the power is off to the machines before disconnecting. In cases where the seller is responsible for disconnect, you will be notified in advance.
6. No trucks are to be left running in an enclosed building. Blackbird is not liable for equipment and tools left on the premises.
7. Bridge cranes and hoists may be used only by Rigger/Buyers with crane insurance on their certificate and only with the written permission of crane owner.
8. Liable for Damages - Any surface or structural damage to walls, ceilings, floors, overhead doors, gates, etc. will be Rigger/Buyer's responsibility. Blackbird personnel are instructed to report damage to the Home Office and plant personnel immediately. Rigger/Buyers will not be permitted to leave with equipment until repairs are made.
9. Theft will not be tolerated and we reserve the right to inspect all trucks, toolboxes and rigger cases. Instances of theft will result in the immediate termination of removal privileges and full-allowed prosecution by law.
10. Rigger/Buyers must present a copy of the customer's invoice to authorized Blackbird personnel prior to removal of any equipment, along with an executed authorization from the customer allowing the Rigger to remove selected equipment.
11. Rigger/Buyer must take full responsibility for and exercise all reasonable care to ensure that there is no release to the environment of any hazardous wastes or substances as are defined in applicable Federal, State and Local Statutes, Regulations, Rules or Ordinances.
